Where does our joy come from? True joy is only found in Jesus.

We sometimes allow our joy to be stolen, or taken away, but that can only happen when we aren't rooted in Jesus. Constant communication with Jesus gives us that joy. Happiness comes and goes, but joy remains. Spend time in the word and God will give us the peace that surpasses all understanding.

#### **3. Minutes Approved-** Kelly Andrade and Amanda Medina motioned to approve

The polls for the new fence have all been installed and they will be working on the fence over Christmas break.
